Will Ray's Songs.
Col. Will S. Hays was clinking with a group

ing yesterday afternoon, within a couple of minutes the ship's latest account of the sinking of the *Reds* at sea. Two sailors of the *Reds* have already been exhausted and two are now in prison. Some one asked the reporter how he came to write the story. He said: "Last summer a year ago I went on Norfolk to New York on the steamer *Manoko*, of the Old Dominion line. I noticed that the sea was floating a large quantity of lumber, and being in a position on the bow of the steamer still after midnight, I could hear far out at the tolling bells from the tops of those masts, shaken by the winds and the waves on the steamer sped along. The bells had a peculiar, weird, solemn tone, and I never forgot

MUHAMMAD

Coffee Biggins

Give this a trial, not in haste,
And find flavor to your taste;
And you, furthermore shall see
A very great economy.

J. F. Sulzer & Bro.

CLOVERPORT, KY.

ENVOY.

Dear Mrs.,—I send to you
A Coffee Pot, that's sure to brew
A scorching, with flavor fine,
Outstripping choicest blends of wine.

This Coffee Pot, if I am right,
Will household duties expedite,
And all its unction, I must concede,
Sink to "virtuousness delectable."

Of good O. S. and Mocha take
In equal parts, the brew is made;
Then percolate with water hot,
A quantum say, into the pot.

Don't miss the coffee up with egg,
Or milkish skins. I humbly beg;
But upon pure sparkling wine,
A king would not stir this cap refuse.

If this decanter you should miss,
Necessitate strait I will take
As has to risk and rare to view,
The very gods will envy you.

If, upon trial right and square,
This pot don't brist all others fair,
Muhammad, or Meah Warley Fane,
In deep dark grief will end his days,
—Muhammad.

The Right Kind of EDUCATION PAYS!

If you want your child educated send him to a **TEACHER**; if you send him to school to get rid of him or because it is customary, then send him to a **HEARER OF RECITATIONS**. There is a vast difference between teachers and recitation hearers. A teacher stimulates his pupils and encourages them to learn for the sake of the power it gives them; the time-serving recitation-hearer encourages his pupils to memorize their lessons in order that they may recite well and get a good mark. Which will you choose for your boy and your girl? If the former, then patronize the

Monday, September 9th, 1899.

One year's work has shown us the defects of the old plan that has been followed in the past, and it has enabled us to prepare a graded course of study, extending from the primary to the high school. Of course this will require more help, and the Board of Trustees has given me an

INCREASED NUMBER OF TEACHERS.

If you want your child to have a first-class **GENERAL EDUCATION** let him take our **REGULAR COMMON and HIGH SCHOOL COURSE**, consisting of, in addition to the Common School Branches, which include **Physiology and Civil Government, Algebra, Geometry, Trigonometry and Surveying, with Field Practice German, Latin and higher English; Geology, Botany, Physics, Physical Geography and Chemistry.** What school presents a better course? And remember we have over **\$1500 worth of Apparatus and \$2000 worth of Engineering Instruments**, all of which are used in our regular Course without extra charge.

TERMS FOR TUITION:

Primary per month	\$1.50
Intermediate, per month	2.00
Preparatory, " "	2.50
Beyond Regular, " "	3.00

The Regular Course, at present, contemplates two years beyond the common school branches, but it is confidently believed the course will be extended two more years in 1890.

If you do not care to take the Regular Course, or if you want something more practical, then take our

BUSINESS COURSE

Consisting of Practical Arithmetic, Algebra, Letter Writing, Book-keeping, Commercial Law and **Typewriting from Phonographic Dictation**, the first school in the State to introduce this wonderful invention! By means of this little instrument the necessity for laborious shorthand writing no longer exists, for it will represent at any time anything spoken to it, any number of times. They are rapidly supplying the place of stenographer in our large cities, and the young man that can supply and use a **Typewriter and Phonograph** is Certain of a Good Position.
